

Iowa Department of Human Services

An amendment to Iowa's State Plan for Temporary Assistance for Needy Families (TANF), has been submitted to the Department of Health and Human Services, Administration of Children and Families, Office of Family Assistance, as required by Section 402 of the Social Security Act.

This amendment adds confidentiality language specific to the **Family Development and Self-Sufficiency (FaDSS) program** with respect to the requirement under 402 (a)(1)(A)(iv) ***Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.***

This language is added to distinguish FaDSS, which is administered directly by the Iowa Department of Human Rights, from other programs under this Plan that are administered by the Iowa Department of Human Services.

This amendment is effective July 1, 2018.
